SCHEDULE

NINTH REPORT OF THE ELECTIONS AND BOUNDARIES COMMISSION ON ITS DEFINITION AND REVIEW OF THE BOUNDARIES OF THE ELECTORAL DISTRICTS IN THE ELECTORAL AREA OF TOBAGO

To:

The Honourable Hazel Manning
Minister of Local Government
Kent House
MARAVAL

1. In accordance with section 4 of the Elections and Boundaries Commission (Local Government) Act, Chap. 25:50 as amended by the Elections and Boundaries Commission (Local Government and Tobago House of Assembly) (Amendment and Validation) Act, 2008: Act No. 27 of 2008 (the Act), the Elections and Boundaries Commission (the Commission) submits its Ninth Report on the definition and review of the boundaries of the electoral districts in the electoral area of Tobago.

2. Section 4 of the Act provides *inter alia* as follows:

4. (1) The Commission shall define and review the boundaries of the electoral districts into which an electoral area is, or is to be, divided and shall submit to the Minister reports either—

- (a) showing the constituencies into which it recommends that an electoral area should be divided in order to give effect to the rules set out in the Second Schedule; or
- (b) stating that, in the opinion of the Commission, no alteration is required to the existing number or boundaries of electoral districts in order to give effect to the said Rules.

(2) Reports under subsection (1) shall be submitted by the Commission—

- (a) in the case of its first report after the commencement of this Act, not later than six months after the date of the commencement;

- (b) in the case of any subsequent report, not less than two nor more than three years from the date of the submission of its last report; and
- (c) in the case of a report in reference to Tobago, not less than two nor more than four years from the date of submission of the last report.

3. The Commission's last Report on the electoral area of Tobago was submitted to the Honourable Minister of Local Government on August 23, 2004. However, the deadline of August 22, 2008 for the presentation of this the Ninth Report could not be met because it became necessary to enact legislation to correct the lacunae in the Elections and Boundaries Commission (Local Government) Act, Chap. 25:50 discovered by the Commission shortly before the deadline referred to in the foregoing. Such correction came in the form of Act No. 27 of 2008: The Elections and Boundaries Commission (Local Government and Tobago House of Assembly) (Amendment and Validation) Act, 2008, "An Act to amend the Elections and Boundaries Commission (Local Government) Act, Chap. 25:50 to provide for the review and definition of boundaries in the electoral area of Tobago for the purposes of elections in relation to the Tobago House of Assembly and to validate certain Reports of the Elections and Boundaries Commission in respect of the electoral area of Tobago". The Act was assented to on December 12, 2008.

4. The Honourable Minister should note that because the instant report is submitted out of time it may not be presented to Parliament for consideration unless its submission out of time is first validated. A similar validation was enacted by Act No. 31 of 1996: An Act to validate the Sixth Report of the Elections and Boundaries Commission (Tobago) Act, 1996.

5. For the present purposes, the effect of the relevant provisions of the Act is as follows:

- (i) Tobago is divided into twelve electoral districts; and
- (ii) the Commission may in consideration of Rule 3 of the Second Schedule of the Act vary the number of electors in any electoral district "provided that in no case shall the number of electors in any one electoral district of an electoral area exceed or be less than the number of electors in any other electoral district of that electoral area by more than twenty-five per cent".

Rule 3 referred to above, provides as follows—

"In the division of electoral districts in regional electoral areas natural boundaries such as major highways and rivers shall be used wherever possible."

6. For the purpose of considering its recommendations, the Commission compared the electorate of 2004 with that of 2008. The relevant data are set out in the table attached hereto and marked Appendix A. They reveal, *inter alia*, that the:

- (a) electorate in the 12 electoral districts of Tobago rose from 38,142 to 41,899, an increase of 3,757 or approximately 9%;
- (b) highest electorate is 3,853 and the lowest electorate is 3,243;
- (c) highest electorate exceeds the lowest by 18.8 per cent (%);
- (d) highest electorate being 3,853, the minimum electorate permissible is 2,890;
- (e) lowest electorate being 3,243, the maximum electorate permissible is 4,054; and
- (f) electorate in each electoral district falls within the maximum and minimum levels permitted.

7. Consequently, the Commission considers that no adjustment is necessary to the boundaries of any of the electoral districts in the electoral area of Tobago.

8. However, the Commission, having observed that the community of Belle Garden straddles both the electoral districts of Belle Garden/Goodwood and Roxborough/Delaforde, with the western portion falling in Belle Garden/Goodwood and the eastern portion in Roxborough/Delaforde, considers that the names of the two electoral districts should be changed to more accurately reflect that fact. The Commission, accordingly considers that the name Belle Garden/Goodwood should be changed to Goodwood/Belle Garden West and the name Roxborough/Delaforde be changed to Belle Garden East/Roxborough/Delaforde.

9. The Commission accordingly recommends that:

- (a) there should be no change in the boundaries of the 12 electoral districts in the electoral area of Tobago;
- (b) the names of the electoral districts now known as Belle Garden/Goodwood and Roxborough/Delaforde should be changed to Goodwood/Belle Garden West and Belle Garden East/Roxborough/Delaforde, respectively;
- (c) each of the said twelve electoral districts for the electoral area of Tobago should carry the names as shown in Appendix B attached hereto;
- (d) each of the said electoral districts should be defined as stated in the attachments to Appendix C; and
- (e) each of the electoral districts in the said electoral area of Tobago should be delineated as shown and defined as described in the composite map attached hereto and titled "Map of the Electoral Area of Tobago".

Dated this 22nd day of December, 2008.
