(3) All the limitations, restrictions and provisions of these Rules relating to the right to transfer and the registration of transfers of shares shall be applicable to any such transfer as mentioned above as if the death or bankruptcy of the member had not occurred and transfer were a transfer signed by that member.

(4) A forfeited share may be sold or otherwise disposed of on such terms and in such manner as the Board may think fit, and at any time before a sale or disposition the forfeiture may be cancelled on such terms as the Board thinks fit.

(5) A person whose shares have been forfeited shall cease to be a member in respect of the forfeited shares, but shall, notwithstanding, remain liable to pay to the Bank all moneys which, at the date of forfeiture, were payable by him to the Bank in respect of the shares, but his liability shall cease if and when the Bank has received payment in full of all such moneys in respect of the shares.

(6) A statutory declaration in writing that the declarant is a Director or the Secretary of the Bank, and that a share in the Bank has been duly forfeited on a date stated in the declaration, shall be conclusive evidence of the facts therein stated as against all persons claiming to be entitled to the share. The Bank may receive the consideration, if any, given for the share on any sale or disposition thereof and may execute a transfer of the share in favour of the person to whom the share is sold or disposed of and he shall thereupon be registered as the holder of the share, and shall not be bound to see to the application of the purchase money, if any, nor shall his title to the share be affected by any irregularity or invalidity in the proceedings, in reference to the forfeiture, sale or disposal of the share.

(7) The provision of these Rules as to forfeiture shall apply in the case of non-payment of any sum which, by the

terms of issue of a share, becomes payable at a fixed time, whether on account of the nominal value of the share or by way of premium, as if the same had been payable by virtue of a call duly made and notified.

Conversion of
shares into
stock.

46. (1) The Board may by ordinary resolution convert any paid-up shares into stock, and reconvert any stock into paid-up shares.

(2) The holders of stock may transfer the same, or any part thereof, in the same manner, and subject to the same Rules and Regulations, as the subject to which the shares from which the stock arose might previously to conversion have been transferred, or as near thereto as circumstances admit; and the Board may from time to time fix the minimum amount of stock transferable but so that such amount shall not exceed the nominal amount of the shares from which the stock arose.

(3) The holders of stock shall, according to the amount of stock held by them, have the same rights, privileges and advantages as regards dividend, voting at meetings of the Bank and other matters as if they held the shares from which the stock arose, but no such privilege or advantage (except participation in the dividends and profits of the Bank) shall be conferred by an amount of stock which would not, if existing in shares, have conferred that privilege or advantage.

(4) Such of the rules and regulations as are applicable to paid-up shares shall apply to stock, and the words “share” and “shareholder” therein shall include “stock” and “stockholder”.

Alteration of
capital.

47. (1) The Board may vary the authorised share capital of the Bank with approval of the Minister by resolution of the Board at any meeting prescribed by the Act. At least fourteen days’ notice in writing of the meeting shall be given and the notice shall specify the nature of the business to be transacted at the meeting. Any such resolution may be rendered invalid by default in service of the notice calling the meeting unless members not served waive service of the notice.

(2) On an increase the new shares shall be subject to the same provisions with reference to the payment of calls, lien, transfer, transmission, forfeiture, and otherwise as the shares in the original share capital.

(3) The Board may by resolution—

- (a) consolidate and divide all or any of its share capital into shares of larger amount than its existing shares;
- (b) sub-divide its existing shares, or any of them into shares of smaller amount than is fixed by the Act;
- (c) cancel any shares which, at the date of the passing of the resolution have not been taken or agreed to be taken by any person.

(4) The Board may before issue offer new shares to existing shareholders at the date of the offer in proportion, as nearly as the circumstances admit, to the amount of the existing shares to which they are entitled. The offer shall be made by notice specifying the number of shares offered, and limiting a time within which the offer, if not accepted, will be deemed to be declined, and after the expiration of that time, or on the receipt of an intimation from the person to whom the offer is made that he declines to accept the shares offered, the Board may dispose of those shares in such manner as it thinks most beneficial to the Bank. The Board may likewise so dispose of any new shares which (by reason of the ratio which the new shares bear to shares held by persons entitled to an offer of new shares, cannot in the opinion of the Board be conveniently offered in accordance with these Rules.

(5) The Board may by resolution reduce its share capital and any Capital Redemption Reserve Fund in any manner and with and subject to any incident authorised, and consent required, by law.

48. (1) The Bank in general meeting may declare dividends, but no dividend shall exceed the amount recommended by the Board. Dividend.

(2) The Board may from time to time pay to the members such interim dividends as appear to the directors to be justified by the profits of the Bank.

(3) No dividend shall be paid otherwise than out of profits.

(4) The Board may, before recommending any dividend, set aside out of the profits of the Bank such sums as it thinks proper as a reserve or reserves which shall, at the discretion of the Board, be applicable for meeting any contingencies or for equalising dividend or for any other purpose for which the profits of the Bank may be properly applied, and pending the application may, at the like discretion, either be employed in the business of the Bank or be invested in such investment (other than shares of the Bank) as the Board may from time to time think fit. The Board may also without placing the same to reserve carry forward any profits which it may determine not to divide.

(5) Subject to the rights of persons, if any, entitled to shares with special rights as to dividend, all dividends shall be declared and paid according to the amounts paid or credited as paid on the shares in respect whereof the dividend is paid, but no amount paid or credited as paid on a share in advance of calls shall be treated for the purposes of this rule as paid on the share. All dividends shall be apportioned and paid proportionately to the amount paid or credited as paid on the shares during any portion or portions of the period in respect of which the dividend is paid, unless any share is issued on terms providing that it shall rank for dividend as from a particular date when the share shall rank for dividend accordingly.

(6) The Board may deduct from any dividend payable to any member all sums of money (if any) payable by him to the Bank on account of calls or otherwise in relation to the shares of the Bank, or to other dealings or transactions with the Bank, at the date of declaration of the dividend.

(7) Any general meeting declaring a dividend or bonus may direct payment of the dividend or bonus wholly or partly by the distribution of specific assets and in particular of paid-up shares or stock of the Bank or in any one or more of such ways, and the Board shall give effect to such resolution and may vest any such specific assets as to it may seem expedient, in manner mentioned above.

(8) Any dividend, interest or other moneys payable in cash in respect of shares may be paid by cheque or warrant or other instrument sent through the post directed to the registered address of the holder or in the case of joint holders, to the registered address of one or more of the joint holders who is first named on the register of members or to such person and to such address as the holder or joint holders may in writing direct. Every such cheque or warrant or other instrument shall be made payable to the order of the person to whom it is sent. Any one, two or more joint holders may give effectual receipts for any dividends, bonuses or other moneys payable in respect of the shares held by them as joint holders and every such cheque or warrant shall be made payable to the order of the person to whom it is sent or to such other person as the member or person entitled or the joint holders, as the case may be, shall direct.

(9) No dividend shall bear interest against the Bank.

49. (1) The Board shall cause proper books of account to be kept with respect to— Accounts.

- (a) all sums of money received and expended by the Bank and the matters in respect of which the receipt and expenditure takes place;
- (b) all dealings and transactions by the Bank; and
- (c) the assets and liabilities of the Bank.

(2) The books of account shall be kept at the Bank or at such other place or places as the Board thinks fit, and shall always be open to the inspection of the Board.

(3) The Board shall, from time to time, determine whether and to what extent and at what times and places and under what terms and conditions or rules the accounts and books of the Bank or any of them shall be open to the inspection of members, and no member (not being a director) shall have any right of inspecting any account or book or document of the Bank except as conferred by the Act or regulation thereunder or other rules authorised by the Board.

(4) The Board shall from time to time as it may prescribe cause to be prepared to be laid before the Bank in general meeting such profit and loss accounts, balance sheets and reports as it may think fit.

(5) A copy of every balance sheet (including every document required to be annexed thereto) which is to be laid before the Bank in general meeting together with a copy of the Auditors' Report shall not less than seven days before the date of the meeting be sent to all persons entitled to receive notices of general meetings of the Bank.

(6) The balance sheet must be examined by the Board and signed by the Chairman and one other director or Board member.

(7) The books kept, the accounts and the balance sheet must give a true and fair view of the state of affairs of the Bank and explain its transactions.

Capitalisation
of profits.

50. (1) The Bank in general meeting may upon the recommendation of the Board resolve that it is desirable to capitalise any part of the amount for the time being standing to the credit of any of the Bank's reserve accounts or to the credit of the profit and loss account or otherwise available for distribution, and accordingly that such sum be set free for distribution amongst the members who would have been entitled thereto if distributed by way of a dividend and in the same proportions on condition that the same is not paid in cash but is applied either in or towards paying up any amounts for the time being unpaid on any shares held by the members respectively or paying up in full unissued shares or debentures of the Bank to be allotted and distributed credited as fully paid up and amongst such members in the proportion aforesaid, or partly in the one way and partly in the other, and the Board shall give effect to the resolution.

(2) However, a share premium account if any and a capital redemption reserve fund may, for the purposes of this rule, only be applied in the paying up of unissued shares to be issued to members of the Bank as fully-paid bonus shares.

(3) Whenever such a resolution as aforesaid has been passed, the Board shall make all appropriations and applications of the undivided profits resolved to be capitalised thereby and all allotments and issues of fully-paid shares or debentures, if any, and generally shall do all acts and things required to give effect thereto. The Board may have power to make such provisions by the issue of fractional certificates or by payment in cash or otherwise as it thinks fit. The Board may also authorise any person to enter on behalf of all the members entitled thereto into an agreement with the Bank providing for the allotment to them respectively, credited as fully-paid up, of any further shares or debentures to which they may be entitled upon such capitalisation or (as the case may require) for the payment by the Bank on their behalf, by the application thereto of their respective proportions of the profits resolved to be capitalised, of the amounts or any part of the amounts remaining unpaid on their existing shares. Any agreement made under such authority shall be effective and binding on all the members.

51. Without prejudice to any of the powers of the Bank conferred by the Act and in particular by section 34(d) thereof or by these Rules and in particular without prejudice to rules 4(f) and 36, the Bank may borrow money either without security or secured by debentures or debenture stock (perpetual or terminable) mortgage or other security charged on the undertaking or on all or any of the assets of the Bank (both present and future) including uncalled capital; and the Bank may purchase, redeem or pay off any such securities.

52. (1) For the purpose of the exercise of the borrowing powers described in rule 51, in the case of each loan transaction, the Board shall—

Resolution to be passed. [60/1987].

- (a) pass an ordinary resolution specifying the amount to be borrowed; and
- (b) state in the resolution the rate of interest at which such amount is to be borrowed and the security, if any, upon which the said loan is to be made to the Bank.

53. Legal expenses to be paid by the Bank. [60/1987].

54. The said resolution shall provide that all legal expenses incurred in the completion of the borrowing transaction whether by way of payment of legal fees or stamp duty on the giving of any security in connection therewith or the commissioning of any legal advice in connection therewith may be paid by the Bank either out of the proceeds of the loan or otherwise.

Board members to be notified. [60/1987].

55. (1) Each member of the Board shall be notified in writing not less than seven days before the date on which it is proposed to put such a resolution to the Board, of the intention to propose such resolution but it shall be sufficient for the notice to state the total sum to be borrowed and the general purpose of the loan without specifying any of the other details required by rule 52 or 53 to be contained in such resolution.

(2) Every such notice shall be deemed to be properly given if sent to or left at the last known address or the usual place of business of the member of the Board.

(3) A quorum of the Board shall be valid to pass such a resolution.
