FIRST SCHEDULE

(Sections 2 and 5)

AGREEMENT ESTABLISHING THE COUNCIL OF LEGAL EDUCATION

The Contracting Parties:

Sharing a common determination to establish without delay a scheme for legal education and training that is suited to the needs of the Caribbean;

Aware that the objectives of such a scheme of education and training should be to provide teaching in legal skills and techniques as well as to pay due regard to the impact of law as an instrument of orderly social and economic change;

Convinced that such a scheme of education and training can best be achieved by:—

Firstly, a University course of academic training in a Faculty of Law designed to give not only a back ground of general legal principles and techniques but an appreciation of relevant social science subjects including Caribbean History and contemporary Caribbean affairs;

Secondly, a period of further institutional training directed towards the study of legal subjects, having a practical content and emphasis, and the acquisition of the skills and techniques required for the practice of law;

Recognising the needs to vest responsibility for providing the institutional training in a Regional Council of Legal Education which should be established in advance of students being admitted to the Faculty of Law so as to give assurance that the whole scheme for legal education will be implemented in its entirety;

Hereby agree as follows :
