

TRINIDAD AND TOBAGO.

No. 16.—1904.

E.

R.G. 1904
2219.

3rd October.

AN ORDINANCE to authorize the Registrar-General to register certain marriages.

[L.S.]

H. M. JACKSON,

GOVERNOR.

21st October, 1904.

BE it enacted by the Governor of Trinidad and Tobago with the advice and consent of the Legislative Council thereof as follows:—

It shall be lawful for the Registrar-General as Registrar of Marriages to file and preserve in his office duplicate statements of the marriages the particulars whereof are set forth in Schedules I and II hereto, notwithstanding that such duplicate statements were not prepared in accordance with and transmitted at the time prescribed by Section 24 of the Ordinance No. 11—1863, intituled "An Ordinance to amend the law with regard to the solemnization and registration of marriages," and such duplicate statements shall be deemed and taken to be good and valid to all intents and purposes

as if they had been prepared in manner and form and transmitted to the Registrar of Marriages at the time prescribed by the said Section.

Passed in Council this third day of October, in the year of Our Lord one thousand nine hundred and four.

C. J. ROOKS,
Clerk of the Council.

STATEMENT OF OBJECTS AND REASONS.

The Parish Priest of Mayaro, Fr. Dubanton, not knowing the law, omitted to comply with the provisions of Section 24 of Ordinance 11 of 1863, which enacts that after every marriage the officiating minister shall forthwith transmit to the Registrar a duplicate, signed by himself and by the parties to the marriage, of the entry in the register.

Copies of the entries of the marriages celebrated by Fr. Dubanton have now been sent up, but they are not signed by the parties as provided by Section 24 and were not forwarded at the proper time. Under these circumstances the Registrar-General finds himself unable to register these marriages without legislative authority.

The object of this Bill therefore is to authorize the Registrar-General to file these irregular duplicate copies in the same manner as he would have done had they been properly prepared and transmitted.
