TENTH REPORT OF THE ELECTIONS AND BOUNDARIES COMMISSION ON ITS DEFINITION
AND REVIEW OF THE BOUNDARIES OF THE ELECTORAL DISTRICTS IN THE ELECTORAL
AREA OF TOBAGO

TO: THE HONOURABLE DR. SURUJRATTAN RAMBACHAN, MINISTER OF
LOCAL GOVERNMENT, KENT HOUSE, MARAVAL

PROLOGUE

A practice of the Elections and Boundaries Commission had grown up over the past few years whereby its Reports on the Boundaries of the Electoral Districts in the Electoral Area of Tobago for the purposes of Tobago House of Assembly elections were normally submitted to the relevant quarter in the month of August immediately preceding such elections. The derivative elections would have followed either in December of the same year, as occurred in the case of the Sixth Report which was submitted on 26th August and the election held on 9th December, 1996; but more frequently, in the January of the following year as exemplified by the elections based on the Seventh and Eighth Reports submitted respectively on 24th August, 2000 and 23rd August, 2004, with the ensuing elections being held respectively on 29th January, 2001 and 17th January, 2005.

This practice was circumstanced to be altered significantly in 2008 when in the course of preparation of the Ninth Report it was discovered by the Commission that the provisions relating to the electoral area of Tobago in the Elections and Boundaries Commission (Local Government) Act, Chap. 25:50 had been expunged from that Act. Thus, it became necessary for the Commission to approach Government to have the matter rectified. This resulted in the enactment of Act No. 27 of 2008, assented to on 12th December, 2008. Ten (10) days afterwards the *Ninth Report of the Elections and Boundaries Commission on the Boundaries of the Electoral Districts in the Electoral Area of Tobago* was submitted on 22nd December, 2008 to the Minister responsible for Local Government. However, by this time the THA had already been dissolved and the date of the election fixed for 19th January, 2009.

In the face of an inflexible 2009–election timetable, it therefore became necessary to resort to the *Eighth Report of the Elections and Boundaries Commission on the Boundaries of the Electoral Districts in the Electoral Area of Tobago* and its associated Presidential Order issued as Legal Notice No. 319 which formed the basis for the THA election which had been held on 17th January, 2005. Section 10 of Act No. 27 of 2008 refers:

“10. Notwithstanding section 4(2)(c) and 4(6) of the Act [i.e., the Elections and Boundaries Commission (Local Government) Act] and any other written law, for the purposes only of the Tobago House of Assembly elections in 2009, the Report and the Elections and Boundaries Commission (Local Government) (Tobago House of Assembly) Order, 2004, shall subsists (sic.) and remain valid and effectual for the aforementioned elections.”.

In the *Ninth Report of the Elections and Boundaries Commission on the Boundaries of the Electoral Districts in the Electoral Area of Tobago* (“the *Ninth Report*”), submitted as aforementioned, it was recommended that:

- “(a) there should be no change in the boundaries of the 12 electoral districts in the electoral area of Tobago;
- (b) the names of the electoral districts now known as Belle Garden/Goodwood and Roxborough/Delaforde should be changed to Goodwood/Belle Garden West and Belle Garden East/Roxborough/Delaforde, respectively;
- (c) each of the said twelve electoral districts for the electoral area of Tobago should carry the names as shown in Appendix B attached hereto;
- (d) each of the said electoral districts should be defined as stated in the attachments to Appendix C; and
- (e) each of the electoral districts in the said electoral area of Tobago should be delineated as shown and defined as described in the composite map attached hereto and titled “Map of the Electoral Area of Tobago”.

Submission at this time of the Commission's *Tenth Report on the Definition and Review of the Boundaries of the Electoral Districts in the Electoral Area of Tobago* ("the *Tenth Report*") is in close accord with the previous practice referred to earlier.

It is to be noted that *Act No. 8 of 2010* "An Act to validate the Ninth Report of the Elections and Boundaries Commission on the boundaries of the electoral districts in the electoral area for Tobago under the Elections and Boundaries Commission (Local Government and Tobago House of Assembly) Act, Chap. 25:50" was passed in the Senate on 5th day of October, 2012, in the House of Representatives on 15th day of October, 2010 and received Presidential Assent on 1st November, 2010.

THE TENTH REPORT

1. In accordance with section 4 of the Elections and Boundaries Commission (Local Government and Tobago House of Assembly) Act, Chap. 25:50 ("the Act") the Elections and Boundaries Commission ("the Commission") submits its *Tenth Report on the Definition and Review of the Boundaries of the Electoral Districts in the Electoral Area of Tobago*.
2. Section *4(1) and (2) of the Act provide as follows:

*4. (1) The Commission shall define and review the boundaries of the electoral districts into which an electoral area is, or is to be, divided and shall submit to the Minister reports either—

 - (a) showing the constituencies into which it recommends that an electoral area should be divided in order to give effect to the Rules set out in the Second Schedule; or
 - (b) stating that, in the opinion of the Commission, no alteration is required to the existing number of boundaries of electoral districts in order to give effect to the said Rules.

(2) Reports under subsection (1) shall be submitted by the Commission—

 - (a) in the case of its first report after the commencement of this Act, not later than six months after the date of the commencement;
 - (b) in the case of any subsequent report, not less than two nor more than three years from the date of the submission of its last report; and
 - (c) in the case of a report in reference to Tobago, not less than two nor more than four years from the date of submission of the last report."
3. In Part III of the Act the number of electoral districts in the electoral area of Tobago is fixed at twelve. Rule 3 of the Second Schedule of the Act provides as follows: "In the division of electoral districts in regional electoral areas natural boundaries such as major highways and rivers shall be used wherever possible" and the Commission may in consideration of this same Rule and Schedule of the Act vary the number of electoral districts "..... provided that in no case shall the number of electors in any one electoral district of an electoral area exceed or be less than the number of electors in any other electoral district of that electoral area by more than twenty-five per cent."
4. The basis of the Commission's recommendation in respect of its *Tenth Report* was analysis of the data provided in the table attached hereto and marked **Appendix A**. This revealed the following:
 - (a) highest electorate is equal to 4,250;
 - (b) lowest electorate is equal to 3,473;
 - (c) highest electorate is 22.4% above lowest electorate;
 - (d) lowest electorate is 18.3% below highest electorate;
 - (e) twenty-five per cent (25%) below the highest electorate is equal to 3,187; and
 - (f) twenty-five per cent (25%) above the lowest electorate is equal to 4,341.

It may therefore be concluded that the electorate in each electoral district neither exceeds nor is less than the number of electors in any other district of the electoral area by twenty-five per cent (25%).

* For the validation of Reports made under section 4—See Act No. 21 of 1992; Act No. 16 of 2003 and Act No. 27 of 2008."

5. Consequently, the Commission considers that no adjustment is necessary to the boundaries of the electoral districts of the electoral area of Tobago.
6. The Commission accordingly recommends that there should be no change in the boundaries of the twelve electoral districts in the electoral area of Tobago. In addition, as the *Ninth Report* was not adopted, the Commission reaffirms its recommendation made in that *Report* in regard to the change in names of two (2) electoral districts *viz* Belle Garden/Goodwood to Goodwood/ Belle Garden West and Roxborough/Delaforde to Belle Garden East/Roxborough/Delaforde.
7. The Commission further recommends that:
 - (i) each of the said twelve electoral districts of the electoral area of Tobago should carry the names as shown in **Appendix B** attached hereto;
 - (ii) each of the said twelve electoral districts should be defined as stated in **Appendix C** attached hereto; and
 - (iii) each of the twelve electoral districts in the said electoral area of Tobago should be delineated and defined as described in the composite map attached hereto as **Appendix D** and titled *Map of the Electoral Area of Tobago*.
