

CHAPTER 30. No. 19.

LIMEOIL (CONTROL OF MANUFACTURE).

Ordinance No. 14-1949. AN ORDINANCE RELATING TO THE MANUFACTURE OF LIMEOIL.

Commencement.

[21st April, 1949.]

Short title.

1. This Ordinance may be cited as the Limeoil (Control of Manufacture) Ordinance.

Interpretation.

2. In this Ordinance—

“manufacturer” means any person superintending or directing the manufacture of limeoil;

“manufactory” means any distillery for the distillation of limeoil and includes any placé where limeoil is extracted by manual or other process.

Licences for manufacture of limeoil.

3. Subject to the provisions hereinafter contained, every person who intends to operate a manufactory which before the commencement of this Ordinance was not in operation shall apply to the Governor for a licence to operate the same, and it shall be lawful for the Governor to issue any such licence subject to such conditions as he may impose, or to refuse to grant any such licence without assigning any reason for such refusal or to cancel any such licence issued by him : Provided that nothing herein contained shall be deemed to apply to any grower of limes in respect of manufacture of limeoil therefrom on the estate on which the same are grown.

Penalty for operating contrary to provisions of Ordinance.

4. If a manufactory is operated contrary to any provision of this Ordinance, the manufacturer shall be liable on summary conviction to a fine of four hundred and eighty

dollars and all machinery, implements, utensils, materials, and any limes and limeoil found upon the premises where such manufacture has been carried on shall be forfeited.

5. Any manufacturer who contravenes the conditions under which any licence is issued under this Ordinance shall be liable on summary conviction to a fine of two hundred and forty dollars, and it shall be lawful for the Governor to suspend or cancel the licence of any such manufacturer.
