

LEGAL NOTICE No. 158

REPUBLIC OF TRINIDAD AND TOBAGO

THE STANDARDS ACT, CHAP. 82:03

NOTICE OF DECLARATION OF TRINIDAD AND TOBAGO
STANDARDS

IN ACCORDANCE with section 18(3) of the Standards Act, Chap. 82:03 the Trinidad and Tobago Bureau of Standards hereby gives notice that the following specifications were declared by the Bureau to be Trinidad and Tobago Standards with effect from October 3, 1995. The Bureau has also recommended that these standards be declared compulsory standards sometime in the future. This is to protect the consumer or user against danger to health and safety.

<i>Trinidad and Tobago Standard</i>	<i>Title</i>
TTS 469:1995 (ANSI/UL 174–1989)	Household Electric Storage Tank Water Heaters
TTS 472:1995 (ANSI/UL 1270–1986)	Radio Receivers, Audio Systems and Accessories
TTS 473:1995 (ANSI/UL 1410–1989)	Television Receivers and High-Voltage Video Products
TTS 520:1995 (ANSI/UL 1020–1986)	Thermal Cutoffs for use in Electrical Appliances and Components
TTS 521:1995 (ANSI/UL 1310–1986)	Class 2 Power Units
TTS 522:1995 (ANSI/UL 1004–1988)	Electric Motors
TTS 523:1995 (ANSI/UL 935–1992)	Fluorescent-Lamp Ballasts
TTS 524:1995 (ANSI/UL 1012–1988)	Power Supplies

These Trinidad and Tobago Standards are available at the Trinidad and Tobago Bureau of Standards, 1, Century Drive, Trincity Industrial Estate, Macoya, Tunapuna, P.O. Box 467, Port-of-Spain.

B. MOORE
Secretary, Bureau of Standards
